

SAFETY, HEALTH & ENVIRONMENT POLICY STATEMENT

Driscoll Insulation Services Ltd (*The Company*) is committed to ensure, so far as is reasonably practicable, the safety, health, environment and welfare of all its employees and all other persons during the execution of the Company's business.

The Company will provide and maintain, as far as is reasonably practicable, the following:

- Systems of work, plant and equipment that are safe and without risks to health.
- The provision of comprehensive information, instruction, training and supervision - with the object of ensuring, so far as is reasonably practicable, the health and safety at work of every employee.
- Arrangements for ensuring the safe use, handling, storage and transport of 'articles and substances' which are inherently or potentially dangerous.
- The maintenance of the workplace in a safe and risk-free condition and the provision of safe means of access to and egress from the work place.
- A safe, healthy working environment, with adequate welfare facilities and arrangements for employees.

It is the policy of the Company that all employees, whilst at work, have full knowledge of and due regard for, their duty to:

Take reasonable care for the health and safety of themselves and of others who may be affected by their acts or omissions at work.

It is also the policy of the Company that it shall:

Review the policy annually and modify it, if considered necessary, to reflect the impact of changes to any provisions relating to Safety, Health & Environment.
